The old grey goose is dead

The one that she's been saving

The one that she's been saving

The one that she's been saving

To make a feather bed

Chorus

She died in the mill pond

She died in the mill pond

She died in the mill pond

From standing on her head

Chorus

And the goslings are a-crying

And the goslings are a-crying

The goslings are a-crying

Because their mammy's dead

Chorus

And the gander is a-weeping
The gander is a-weeping
The gander is a-weeping
Because his wife is dead

Chorus

She died of the smallpox
She died of the smallpox
She died of the smallpox
Least that's what the doctor said

Chorus
