What a fine world this would be

em bm C G/B

If the men were all transported

em bm am D G

Far a-cross the North-ern Sea

Oh my goodness gracious Rachel

What a queer world this would be

If the men were all transported

Far across the Northern Sea

Reuben Reuben I've been thinking

What a gay life this would be

If there were no men about us

None to tease us, none to heed

Rachel stop your foolin'

If you've any love for me

I was only just a-foolin',

As I thought of course you'd see

Rachel if you'll not transport us

I will take you for my wife

And I'll give to you my money

Every payday of my life

Reuben Reuben I've been thinking

What the heck have you been drinking

Looks like water, tastes like wine

Oh my gosh it's turpentine

I've got a dog his name is Rover
He's a very clever pup
He will stand upon his hind legs
If you hold his front legs up

Rachel I've been thinking
What a strange world this would be
If the monkeys lived in houses
And we swung from tree to tree
There's no need to light a nightlight
On a light night like tonight
For a nightlight's light is slight light
When the moonlight's big and bright
