E

Miss Lucy had a baby

B7

She named him Tiny Tim

She put him in the bathtub

E

To see if he could swim

He drank up all the water

But it wouldn't go down his throat

He floated up the river

He floated down the lake

And now Miss Lucy's baby

Has got a belly ache

Miss Lucy called the doctor

Miss Lucy called the nurse

Miss Lucy called the lady

With the alligator purse

Measles said the doctor

Mumps said the nurse

A virus said the lady

With the alligator purse

Penicillin said the doctor

Bedrest said the nurse

Pizza said the lady

With the alligator purse

He'll live said the doctor

He's all right said the nurse

I'm leaving said the lady
With the alligator purse

Miss Lucy gave me peaches
And then she gave me pears
And then she gave me 50 cents
And kicked me up the stairs

My mother was born in England
My father was born in France
And I was born in diapers
Because I had no pants
